Dear Customer,

Regarding the EU Russia Embargo Regulation 833/2014 (11th sanctions package), Tillex confirms that iron and steel products delivered or sold by us don't contain iron or steel of Russian origin.

To verify that we comply with this requirement, Tillex has contacted all our suppliers and collected supplier declarations confirming that iron and steel products delivered to Tillex after 30 September 2023 don't contain iron or steel of Russian origin.

Questions regarding the above are most welcome and can be addressed to the undersigned.

Place and date:

Ringsted, 15 november 2023

Kind regards,

Kim Tillegreen
