

To Tillex customers

Declaration on compliance with REACH

Tillex hereby declares that products from the company do not contain substances that are listed on the candidate list re Article 59, item 1 and 10 in the REACH Regulation (EC) 1907/2006 ("Substances of Very High Concern", SVHCs) in a concentration above 0,1% (weight).

Tillex assures compliance with this requirement by acquiring declarations from the company's suppliers of materials that their materials do not contain SVHCs. Furthermore, Tillex manufactures its products in such a way that SVHCs are not produced during the process that might end up in the end-products.
